Possible Conflict of State and Federal Election Officers.
REPUBLICAN LEADERS' TACTICS.
Deputy-Marshals Ordered to Go Behind Polling-Place Guard-Balls.
VARYING VERSIONS OF THE LAW.
Encroachments of Davenport's Men Will Be Resisted.

"We wish to say to the Democratic managers that their persistence in the use of force to prevent the free exercise of the right of suffrage by the voters of this city will be met by the Republican managers with a force of Federal marshals sufficient to secure order at every poll. Similar protection will be extended to the voters and to the ballot-box throughout the State."
—New York Tribune's leading editorial article to-day.

Indications abound to-day that the Republican managers intend to bring about a conflict of the State and Federal authorities in this city on election day. Instructions have been given by Republican Federal officials, on the line indicated in the foregoing quotation from the paper owned and edited by the Republican candidate for Vice-President, to the United States deputy marshals and supervisors of election, which, if carried out, will inevitably result in rioting, disorder and bloodshed.

Large Number of Voters in this City Have Received Notices, as follows, from the Davenport election bureau:
"Sir: Your right to register and vote in the Election District of the Assembly District of the City of New York, has been questioned, and calling at this office may be able to satisfy your mind. Yours, etc."
JOHN J. DAVENPORT, Chief Supervisor.

The intent of this notice is clearly to deter citizens from attempting to vote by pressing them with the undesirable of coming in conflict with Davenport or his managers. Arrangements have been made by the Democratic Committee, however, which relieve any recipients of any such notice from any anxiety on this score. The notice is being unjustly challenged by Mr. Davenport.

Violations of Law Will Be Allowed.
Nelson Smith, Chairman of the Tammany General Committee, has issued a statement, standing out in bold relief, to the effect that the Attorney General or Acting Attorney General of the United States, would not be allowed to interfere with the right of any citizen to vote, and that the right of any citizen to vote, need have any anxiety because of the action of the Federal authorities.

"The appointment of such an Irish-American as Patrick Egan to an important office by the Republican Party, is a matter of great importance, and it is not to be expected that the Irish-American community will be indifferent to the action of the Republican Party in this regard. The Irish-American community is entitled to know the reasons for the appointment of Patrick Egan to this office, and it is the duty of the Irish-American community to demand that the Republican Party should give an account of its action in this regard. James B. Blanchett, the crook, who last night shot and killed Detective John Carey, of the central office squad, was arraigned before Justice Grady in the Tombs Police Court this morning and remanded until 10 o'clock to-morrow morning.

For some reason, which Detectives Valley and Moran, who had the murderer in charge, would not explain, Blanchett was taken back to Headquarters without the customary formalities of arraigning him forthwith before the court. The prisoner's head was swathed in bandages, and his little black eyes looked glassy from weakness caused by the beating he received during his struggle with the detectives when they attempted to place him under arrest after the shooting.

It was learned to-day that the Pinkerton Detective Agency has been employed by the Republican National Committee, upon the suggestion of Manager Frick, of Homestead. The chief work of the Pinkertons is to assist in the election of the State and Federal officers, and it is alleged that they will also endeavor to prevent any known ex-convict from voting anything but a Republican ticket. It is said that the Pinkerton men will also, with the deputy marshals, be employed as handlers of Republican corruption funds on election day. For this purpose it is said, that \$20,000 has been set apart by Chairman Carter and Manager Frick for use election day in this city alone.

POINTERS ON THE RACES.
Little Fred and Miss Belle to Meet in a Six-Furlong Dash.
The Talent Will Have to Guess in the Hurdle Handicap.

The programme at Guttenberg to-day is in perfect keeping with the weather. It is dull, featureless and dispiriting. There does not look to be an interesting race on the card, and yet no one can judge from outward appearances, for often the poorest looking cards have furnished exciting and brilliant finishes. The best race of the day will no doubt be the Little Fred-Miss Belle meeting. This pair are in a six-furlong dash, and as the colt gives the mare a great deal of weight a close finish may result. The hurdle race has its old stand-bys entered, at Lake, St. John and Bassano. The talent will have to guess whose turn it is to-day. The track will probably be a trifle sticky. The entries and selections are as follows:

First Race.—Purse of \$400, for maidens, two years old, to be run on the 1st of Nov. at 12:30. The winner to be paid \$100. The race will be run on the 1st of Nov. at 12:30. The winner to be paid \$100.

MRS. LEADER GETS DAMAGES.
\$500 for Being Accused of Stealing Mrs. Smyth's Brooch.
Kind of the Latest Jewelry Scandal in English Military Society.

LONDON, Nov. 4.—The jury in the Leader-Smyth slander case have returned a verdict awarding £500 damages to Mrs. Leader.

Mrs. Leader's counsel, Mr. Smith, charged that Mrs. Smyth, a widow, who was in the habit of visiting the Leader-Smyth household, stole a brooch belonging to Mrs. Smyth, which, the latter declared, she subsequently saw exposed for sale in a jeweller's shop.

Mrs. Smyth procured the brooch by threat, and then wrote a letter to Mrs. Leader, who was in India with her husband, accusing her of the theft and stating that she desired to avoid publicity she must send by return mail five guineas to cover the costs of recovering the brooch.

Instead of replying to this letter, Mrs. Leader as soon as possible instructed counsel to bring a suit for damages for slander against Mrs. Smyth. Mrs. Leader acknowledged selling a brooch to the jeweller in whose shop the alleged stolen article was found, but declared that the brooch she sold was her personal property, it having been given to her by a friend, Capt. French, as a wedding gift.

The trial has lasted four days, and as the case has progressed interest in it has increased so that late comers found it impossible to get into the court-room after the first day's session.

FLIGHT OF A WATER TOWER.
Cherry Hill Upset by a Terror-Inspiring Runaway.
Three Frightened Horses Sweep the Streets Like a Tornado.

The Fourth Ward generally and Cherry Hill in particular has not fully recovered to-day from the excitement experienced last evening over the runaway water tower, which swept through certain portions of the district like a tornado.

The fugitive tower was No. 1, and it left its house in Chambers street at 6:30 o'clock last evening to go to a fire at 65 and 67 Cliff street. Driver John Piller was in charge of the machine.

He brought his horses to a stand-still in front of 65 Cliff street, and then, without warning, the tower, which was in the crowd of streets through which he might get up to the fire.

While Piller was away the three horses took fright, and swinging around headed down Cherry street at an increasing gallop. In front of 65 Cliff street the tower was upset, and the crowd of spectators, who were in the crowd of streets through which he might get up to the fire.
